

## **NSDI Nodal Officer Meeting**

9<sup>th</sup> Meeting of nodal officers held at National Spatial Data Infrastructure (NSDI), New Delhi at 13<sup>th</sup> October, 2011. This meeting was related to work progress of Nodal organizations towards node creation and utilization of money. Forest Survey of India (FSI) was also a participant in meeting. The issue was discussed related to data content standard and FSI as a node is also working towards it and also is a working node of interoperability.
