Subject: Compliance as per Orders of Hon'ble CAT for OA NO 949/2024

Respected Mam,

Please find the trailing mail. I have not given any channel to submit my application. Please refer to Annexure 1. I was not only denied the entry but Peon and Assistant Director Humiliated for requesting them to submit my application. I was told that I am trespasser and my application are not entertained in this office.

Today is 8th day since the order and I am out of time. The affidavit submitted by DG FSI Dehradun doesn't have approval of you and Joint Secretary I. Whereas it is stated that no recovery was imposed on me in CAT OA 657/2024 but total 7 lak recovery is imposed in LPC and LPC doesn't have date of handing over charge which means LPC issued is unauthorised. Please refer to Karnataka High Court Decision for The Controller of State Accounts Vs Smt Nagaratgamma 5th December 2002. Where it is stated that person can not be given LPC without physically handing over the charge.

My account has nill money and CAT has also ordered to pay salary and medical bills within 1 month which is by 13th of December 2024. Since transfer grant of Rs 91,000 is refused by office, I have money for my stay in Kolkatta. So by the 13th office will provide my own money which will enable my stay at Kolkatta.

Hence, I am requesting you that you may provide me flight ticket on 13th December 2024 by Air India Flight 628-776 after providing money.

Since reliving order is provided now ie 13th November 2024, may kindly pay me the salary till 13th November 2024 or till office provide me ticket to Kolkata.

I shall be obliged if you do the needful earliest.

Thanking you

Yours Faithfully

IN THE HIGH COURT OF JUDICATURE AT BOMBAY
NAGPUR BENCH, NAGPUR.

WRIT PETITION NO. 3967 OF 2021

Kumar s/o Bhaskar Kalbande

Vs.

Union of India, New Delhi and others

Office Notes, Office Memoranda of Coram,
appearances, Court's orders of directions
and Registrar's Orders.

Court's or Judge's orders.

Shri Saurabh S. Bhende, Advocate for petitioner.
Mrs. Suhasini N. Deshpande, Advocate for respondent No.1.

CORAM : SUNIL B. SHUKRE AND
ANIL L. PANSARE, JJ.

DATE : 27th OCTOBER, 2021.

Heard Shri Bhende, learned counsel for the petitioner.

2. The petitioner has questioned his transfer order dated 30.07.2021 transferring him from Forest Survey of India, Central Zone Nagpur to Forest Survey of India, Eastern Zone Kolkata. The grievance of the petitioner is that his transfer order is actuated by malice as in the Communication dated 16.03.2021, the respondent No.4, levelling some allegations against the petitioner, requested the Director General of Forest Survey of India, to immediately transfer the petitioner to any other station and that just a day before issuance of the transfer order, the respondent No.2 had received a request application from Shri R.D. Patil, Junior Technical Assistant, for his transfer from Bangalore Zone

to Central Zone at Nagpur, which was granted just a day after on 30.07.2021.

3. The learned counsel for the petitioner, however, admits that the petitioner has been posted to Nagpur, through-out since inception i.e. from the year 2009 and it is only now, for the first time, that the petitioner has been transferred from Nagpur to Kolkatta.

4. The learned counsel for the petitioner also admits that the post of the petitioner is transferable though, he submits, that there is no regulation fixing a minimum period of service at a particular station. But, he agrees that period of 13 years for a Government Officer to spend at one station continuously is very long period of time.

5. The object of transfer of Government Officers is to prevent creation of vested interests to promote transparency in the administration, and to ensure good governance. If a Government Officer remains posted for such a long period of 13 years in one go, the object and purpose of the transfer of a Government Servant gets frustrated. It, therefore, follows that a Government Servant like the petitioner, who has continuously remained fastened to Nagpur for 13 long years must not and cannot contend that he has a right to be at Nagpur and that he should not be transferred to a place like

Kolkata. In fact employer of the petitioner has been quite benign so far, as could be seen from the fact of posting of petitioner at Nagpur even after his promotion.

6. Keeping in mind, the object of the transfer of Government Officer and long continuous stay at Nagpur, we are of the view that now, the petitioner has lost his right to challenge his transfer from Nagpur to Kolkatta.

7. About some allegations made in the letter dated 06.05.2021, we find that the transfer order dated 30.07.2021 makes no mention of these allegations, does not consider them at all and does not rely on them in any way. The transfer order dated 30.07.2021, rather, shows that it states the reason of "public interest". If this is the reason stated in the transfer order, which we find to be in consonance with the unduly long tenure of petitioner at Nagpur, and the object of the transfer of Government Servants, there would be no ground for us to question the wisdom of the authority in transferring the petitioner. This transfer order, at the cost of repetition, we say that it has not been influenced in any manner by what is stated in the communication dated 06.05.2021 addressed by respondent No.4 to respondent No.2. The transfer order, in our considered view, serves the object of transfer of the Government Officers and has been issued in public interest as stated

earlier, and, therefore, there is no ground whatsoever available here to find any fault in the transfer order.

8. As regards the contention that one Mr. R.D. Patil had made a request for his transfer from Bangalore to Nagpur on 29.07.2021 and it was granted the next day, which showed malafides on the part of the respondent No.2; we must say that even this is not reflected in the order dated 30.07.2021 which is assailed here. Again, we would say that the order has been issued in public interest and it serves the object of the transfer of a Government Officer, as explained by us earlier.

9. The learned counsel for the petitioner, at this stage, has invited our attention to the notice dated 17.08.2021 in order to support his contention that the transfer in question here is by way of a punishment. We don't think that this argument deserves any acceptance by us. By the notice dated 17.08.2021, entry of the petitioner in the office has been prohibited and the reason for the same is also stated. The reason is that, it was found by the superior officers of the petitioner that in spite of his transfer from Nagpur to Kolkatta, the petitioner was visiting the office and creating some scenes, which have been described to be unruly. The learned counsel for the petitioner does not deny the fact that the petitioner, even after his transfer, was trying to

visit his office. Rather, he submits that the petitioner wanted to visit the office after his transfer order, in order to continue with his official work. If this is so, we are of the view that the petitioner is indulging in a behaviour unbecoming of a Government Officer and this submission made on instructions on behalf of the petitioner is no less than misconduct on the part of the petitioner. On this ground as well, this petition deserves to be rejected.

10. In view of above, the petition stands summarily rejected. No costs.
