Subject:- Compliance for Order Passed
on 13/6/2024 for case no 13545/2022.

Respected Sir,

As per the direction of Hon'ble
CCPD for case no 13545/2022, the
renewed disability card of the applicant
is placed before you at Annexure 2. I
went to report it to office but I am
trespasser further office denies my
speed post and register post.

Respondent through Letter No 13-
15/2022-Admin-Part-1981 dated
18/9/2024 has again submitted false
information and compliance for
accessibility has not been taken place
by them till date. You have directed
respondent for accessibility in all its

(Annexure 6)

4. FSI Nagpur is accessible

5. FSI Shimla and FSI Bangalore is inaccessible.

The RPwD Act 2016, 106 through Sections 40-46 mandates accessibility to be ensured in all public centric buildings, transportation systems, Information & Communication Technology (ICT) services, consumer products and all other services being provided by Government or other service providers in a time bound manner.

It to further to submit you that even my own Ministry MOEFCC doesn't have accessibility in their offices across the India and hence office of DG FSI Dehradun appears to be carefree about compliance of Disability Order.

Regarding joining and relieving, please find the CAT OA 657/2024 and 949/2024. Despite of CAT direction, DG FSI Dehradun refused to allow me to join

Reply

Dehradun refused to allow me to join and denied me salary and medical which is supposed to settle within 1 month.

DG FSI Dehradun has also stated that inquiry conducted by Secretary MOEFCC is meaningless and frivolous and same reason CAT has issued contempt Notice 15/2025. Please refer to Annexure 4 and 5 which is self explanatory.

Despite of Secretary MOEFCC order through Letter No 18-1/2022-FE(Comp No 175552) dated 3/4/2024 for compliance of OM No 43011/35/2022-Estt. (Res-II) dated 28/3/2024 issued by DOPT, DG FSI Dehradun submits through Letter No Lette No 13-15/2022-Admin-Part-112-S8 dated 12/3/2024 that applicant disability is fake.

For my current situation please refer to Annexure 9 that neurological assessment for disability is not possible

Reply

assessment for disability is not possible because of steel implants and further my health is detreating.

This is 4th contempt issued to FSI, 2 from CAT Bombay, CAT Chandigarh and CAT Bangalore . Further, Secretary MOEFCC in an Affidavit at WP 7208/2024 at Bombay High Court Submitted that my Disability is fake. This kind of false submission is repeatedly given to Honble Courts of India.

It is very well established that Forest Survey of India is habitual contemnor. They refused to comply with any Courts of India.

Hence it is specifically requested to you that you may help to get medicated euthanasia in order to ease from pain I am suffering from. Because, you couldn't able to help at all despite of giving all the valid evidences and no one can make FSI work as per Government of India rules. No person

Reply

Government of India rules. No person on earth could survive to non payments for 50 months during his disability state.

This is for compliance as per your direction and also submitting non compliance by the office of DG FSI Dehradun

Thanking you.

Yours faithfully,

Kumar B Kalbande.
