

ACTION HISTORY OF RTI FIRST APPEAL No.FSOID/A/E/23/00029

Applicant Name Deepak sharma

Text of Appeal Public information officer (PIO) rejected my application saying that the information asked does not belong to their office/department. As per RTI act section 6(3) if the information does not belong to the department/office then it should be transferred to concerned PIO where the information is available within 5 days of receiving information. despite of the known section public information officer did not transferred the my RTI application and violated RTI act. this shows that the RTI act giving transparency to citizen is not followed properly in the department. this also shows the attitude of the Public information officers approach and seriousness to be followed for RTI act.

Reply of Appeal The sought information has been provided by CPIO as per RTI Act, 2005. Appeal Disposed of.
