Sir,

Your kind attention is drawn to Rule 14 (24) of the CCS (CCA) Rules, 1965.

- Rule 14(24)(a) Inquiring authority should conclude the inquiry and submit his report within a period of six months from the date of receipt of order of his appointment as inquiring Authority.
- Rule 14(24)(a) Where it is not possible to adhere to the time limit specified in the clause(a), the Inquiring Authority may record the reasons and seek extension of time from the disciplinary authority in writing, who may allow an additional time not exceeding six months for completion of the inquiry, at a time.

I have been appointed as inquiry officer for the memorandum of charges vide DG, FSI ref. No. 7-8/2021-Admn/Part-2392 dated 29.04.2022. The time given for the completion of Inquiry was 12.12.2023. Due to absence of Delinquent Official for the inquiry for long time, complicated nature of inquiry and official engagement of Inquiry Officer, the same could not be completed till date. Now, Inquiry is fixed on 22nd & 23rd of December 2023 and the inquiry is likely to be completed in the month of January 2024.

Hence, it is requested that the time for inquiry may be extended till 12th May, 2024.

Sir

Sub: Extension of time provided for the inquiry under the CCS (CCA) Rules 1965-charge sheet issued against Sh.Kumar Kalbande vide memorandum of charges No. 7-8/2021 Admn.- reg

Your kind attention is drawn to Rule 14 (24) of the CCS (CCA) Rules 1965.

- Rule 14 (24) (a) - Inquiring authority should conclude the inquiry and submit his report within a period of six months from the date of receipt of order of his appointment as Inquiring Authority.
- Rule 14 (24) (b) - Where it is not possible to adhere to the time limit specified in the clause (a), the Inquiring Authority may record the reasons and seek extension of time from the disciplinary authority in writing, who may allow an additional time not exceeding six months for completion of the Inquiry, at a time.

I have been appointed as inquiry officer for the memorandum of charges vide DG FSI ref no. 7-8/2021 Admn. on 17/06/22. The inquiry could not be completed within six months prescribed in the Rule 14 (24). The main reasons for the same is illness of CO, reluctance of CO in attending the inquiry, and complicated nature of the charges. The detailed timeline of the inquiry is submitted in the annexure for your kind perusal.

Within the first six month (till 16/12/22) the inquiry could not be started as CO did not attend the inquiry twice as he was COVID positive and once due to his reluctance. In the next six months (till 16/06/23) the inquiry has progressed and had four sessions (one of them was in online mode). Presently the 'examination in chief' is completed and cross examination of witness by the CO is in progress. Since the regular inquiry is going on for the past four sessions and sufficient time is needed for

-237-

meaningful completion of the inquiry; and making report, the time extension of another six months is absolutely necessary.

Hence it is requested that the time for inquiry may be extended till 16/12/23 as in Rule 14 (24) (b).
