THIS WRIT PETITION IS FILED UNDER ARTICLES 226 AND 227 OF THE CONSTITUTION OF INDIA, PRAYING TO CALL FOR THE RECORDS AND QUASH THE ORDER OF CASE NO.KIC 15951 APL 2021 FROM THE KARNATAKA INFORMATION COMMISSION, MAHITI SOUDHA, DEVARAJ URS ROAD, OPPOSITE TO VIDHANA SOUDHA, WEST GATE - 2 BENGALURU-560001 AND ETC.,

THIS PETITION COMING ON FOR PRELIMINARY HEARING IN B GROUP THIS DAY, THE COURT MADE THE FOLLOWING:

ORDER

Petitioner a lecturer in Physics in the 5th respondent-college is knocking at the doors of writ court for assailing the order dated 01.04.2022 passed by the 1st respondent-Commission whereby his RTI application has been negatived quoting the provisions of Sec.8(1)(j) of the Right to Information Act, 2005. The party-in-person argues that he is entitled to know the material particulars of service of the persons indicated in the RTI Application inasmuch as that information provides the substratum for structuring his claims in Service Law such as confirmation,

seniority, promotion & the like. He argues that Sec.8(1)(j) of 2005 Act having been wrongly construed, there is an error apparent on the face of impugned order.

2. The first respondent-Commission has entered appearance through its Sr. Panel Counsel; Respondents 2, 3 & 4 are represented by learned AGA; however the 5th Respondent- Principal of the College has remained unrepresented despite service of notice. Learned Panel Counsel and learned AGA oppose the petition making submission in justification of the impugned order placing reliance on a decision of the Apex Court in **Girish Ramchandra Deshpande vs Central Information Commissioner & Ors, (2013) 1 SCC 212.**

3. Having heard the petitioner-party-in-person and learned Advocates appearing for the Respondents, this court is inclined to grant indulgence in the matter inasmuch as there is no scope for invocation of Sec.8(1)(j) since petitioner is not a stranger to the Respondent-institution, but a Lecturer working therein since years; it

hardly needs to be stated that for working out redressal for the grievances in service, an employee has to have full service particulars of other employees working under the same employer especially when dispute arises relating to confirmation, seniority, promotion or the like. The decision cited by the learned Panel Counsel in GIRISH RAMACHANDRA DESHPANDE *supra* had a different fact matrix and therefore the Apex Court held that personal information cannot be furnished.

4. It hardly needs to be stated that a decision is an authority for the proposition that has been laid down in a given fact matrix of a case and not for all that which logically follows from what has been laid down. Lord Halsbury more than a century ago, in the celebrated case of **Quinn vs. Leathem (1901) A.C. 495, 506** has observed as under:

“Now before discussing the case of Allen v. Flood, (1898) A.C. 1 and what was decided therein, there are two observations of a general character which I wish to make, and one is to repeat what I have very often said before, that every judgment must be read as applicable to

the particular facts proved, or assumed to be proved, since the generality of the expressions which may be found there are not intended to be expositions of the whole law, but governed and qualified by the particular facts of the case in which such expressions are to be found. The other is that a case is only an authority for what it actually decides. I entirely deny that it can be quoted for a proposition that may seem to follow logically from it. Such a mode of reasoning assumes that the law is necessarily a logical Code, whereas every lawyer must acknowledge that the law is not always logical at all."

5. The petitioner, a party-in-person is justified in contending that unless the service particulars of the persons which he has sought for in the subject RTI application are furnished, he will not be in a position to work out his grievance in the subject service matter. This aspect has not animated the impugned order and therefore there is an error apparent on its face warranting indulgence of this court. He is more than justified in placing reliance on the Government Order dated 02.06.2011 which prescribes certain parameters for granting relaxation of service conditions relating to

reservation. To avail benefit under the said Government Order, the information which the petitioner has sought for, becomes essential. Denying information virtually amounts denying opportunity to the petitioner to avail the benefit of said Government Order.

In view of the above, this petition succeeds; a Writ of Certiorari issues quashing the impugned order of the State Information Commission; petitioner's subject RTI application having been favoured, the 5th respondent is directed to furnish service particulars of the persons concerned and copies of records in that connection within a period of three weeks, failing which for the delay of each day, the 5th respondent shall pay from his pocket a sum of Rs.1,000/- to the petitioner.

The 5th respondent-Principal shall also pay a cost of Rs.5,000/- towards expenses.

Subject: Issues related to engagement of contractual staff from M/s BIS deployed in FSI regarding.

Sir,

With reference to the contract given to you for providing Technical /Non Technical personnel, Security guards and housekeeping services at Forest Survey of India Kaulagarh Road Dehradun, the following facts are to be brought in your notice for necessary action:

1. As per the terms and condition of the contract, the firm has to open an office in Dehradun within a month period time and the necessary document for the same are to be submitted to FSI by the firm. So far we have not received any documentary proof of opening up of the office in Dehradun by the firm.
2. The payments of the wages to the staff deployed in FSI should be given by third working day. Whereas the wages for the month of November were given to the staff up to 14th December, 2012. This kind of delay in the payment of wages is creating a lot of problem and hardship to the staff.
3. As per the terms and condition of the contract the copy of the EPF and ESI challans /Scheduled and detail of service tax paid the firm for the preceding month is to be deposited along with the bills of the current month. So far we have not received such receipt from the firm.

Bullets fired at TMC worker's house, 3 dead

Kolkata: Three people were killed and one injured after a group of assailants allegedly fired bullets and hurled bombs at the house of a Trinamool Congress worker in Domkal's Kuchiyamira village in Murshidabad early Saturday.

The deceased were identified as Sohel Rana (19), Khairuddin Sheikh (55) and Rahidul Halsana (25). Three people were arrested, police said.

While the TMC accused "Congress-backed goons" for the attack, the latter denied the claims and blamed infighting in the TMC. "Three people have been killed and probe is on. We have arrested three persons. Motive behind the murder is still uncertain," said SP Mukesh Kumar.

According to the police, the assailants attacked when the victims were sleeping inside their house. Before the locals could react, the attackers escaped.

Meanwhile, tension erupted in Jagdal's Ghoshpara in North 24 Paraganas district after traders allegedly attacked police and damaged their vehicles. Combat force and RAF have been deployed in the area.

On Friday, shops in the area were looted, following which a mob blocked Ghoshpara Road demanding action. When police tried to intervene, the mob attacked them. **ENS**
