

ACTION HISTORY OF RTI REQUEST No.FSOID/R/E/24/00004

Applicant Name rachhpal singh saini

Text of Application

Dear Sir/Madam, I am filing this RTI application to obtain information related to the change in the use of forest land. I believe in the transparency of governance and the Right to Information Act, 2005 empowers me to seek information on public matters. I request the following information: Process for Changing the Use of Forest Land: Please provide detailed information on the process involved in changing the use of forest land. This should include the steps, approvals required, and any relevant documentation. Transfer of Lease for Forest Land Previously Leased for Pharmaceutical Use: If the forest land was previously leased for pharmaceutical use, please clarify how the lease will be transferred to a new department after its expiry. Include information on the steps involved and the conditions for such a transfer. Legal Process for Lease Transfer: Provide a step-by-step guide on the legal process for transferring leases on forest land. Include details on the documentation required, authorities involved, and any legal provisions governing such transfers. Criteria for Determining Change in Land Use: Please provide information on the criteria and factors considered by the forest department when evaluating requests for a change in land use. Include details on environmental impact assessments, if any. Name of forest land lease transfer party: Describe the process of forest land lease transfer the part name and full details including the process and decisions regarding the change in forest land use. Provide information on how Govt and forest departments are informed and engaged in such matters. Monitoring Mechanisms for Forest Land Use: Inform the mechanisms in place for monitoring and ensuring compliance with the approved land use after a change is permitted. Include details on any reporting requirements for lessees. Compensation Mechanism for Affected Parties: Provide details on how compensation is determined and disbursed. Environmental Safeguards: Provide information on the environmental safeguards in place to mitigate the impact of changing forest land use. This should include measures to protect biodiversity, water sources, and other ecological considerations. Current Status of Forest Land Use Changes: Please provide an update on any recent or ongoing cases of changes in forest land use, especially those related to pharmaceutical or similar uses. Include information on the status of applications and approvals. Changes or Updates in Laws Related to Lease Transfer in the Last 75 Years: Please provide comprehensive details of any changes or updates in the laws related to the transfer of leases on forest land that have occurred in the past 75 years. Include the dates of enactment or amendment, and the nature of each change. I request the information to be provided in certified copies. Section 6(1) of the Right to Information Act, 2005, Section 7(1) of the Right to Information Act, 2005

Reply of Application

sought information is not available at Forest Survey of India, Dehradun.
