

ACTION HISTORY OF RTI REQUEST No.FSOID/R/E/24/00005

Applicant Name rachhpal singh saini

Text of Application

I am submitting another RTI application seeking information on the process of changing the land use position from one lessee to another in the case of Forest Reserve land. Procedure for Changing Land Use Position in Forest Reserve Land: Kindly provide detailed information on the procedure and steps involved in changing the land use position in Forest Reserve land. Include the approvals required, documentation, and any specific conditions that must be met. Please clarify the criteria and considerations taken into account by the forest department when approving the change of lessee for Forest Reserve land. Include factors such as experience, environmental commitment, and any other relevant considerations. Explain the process of notifying the public and relevant stakeholders when there is a proposed change in the lessee of Forest Reserve land. Provide information on how concerns and objections from the public are addressed. Detail the role of Environmental Impact Assessment (EIA) in the decision-making process for changing the lessee in Forest Reserve land. Include information on how the EIA findings influence the approval or rejection of such changes. Legal Provisions Governing Change in Lessee for Forest Reserve Land: Provide a comprehensive overview of the legal provisions and statutes that govern the process of changing the lessee in Forest Reserve land. Include any recent amendments or updates in the last 75 years. Please provide an estimate or average duration of the entire process involved in transferring the lease position from one entity to another for Forest Reserve land. Include information on any delays and reasons for such delays. Explain if there is a provision for public hearings during the process of changing the lessee for Forest Reserve land. If so, provide details on how these hearings are conducted, and how public feedback is considered in decision-making. Clarify if there is a review mechanism in place for decisions related to changing the lessee of Forest Reserve land. Provide details on how individuals or entities can seek a review of decisions and the process involved. Request information about the current lessee of the Forest Reserve land in question, including their lease agreement status, duration, and any environmental or operational compliance records. Provide historical data on any instances where the lessee for Forest Reserve land has been changed in the past. Include details on reasons for the change, the process followed, and outcomes. Seek information on the measures in place to ensure environmental rehabilitation and conservation when there is a change in the lessee of Forest Reserve land. Include details on reforestation efforts or other environmental safeguards. Inquire about the accessibility of information regarding changes in the lessee for Forest Reserve land to the public. Include details on how interested parties can access relevant documents and decisions. Section 6(1) and Section 7(1) of the Right to Infor

Reply of Application

sought information is not available at Forest Survey of India, Dehradun.
