**Text of Appeal  
(अपील का पाठ)**

I had filed a RTI application as per the attached application, Annexure (Number: FSOID/R/E/21/00038), disposed off on 6/07/2021.

1. Through my RTI I had asked FSI to provide the two latest copies of the e-Green Watch report which analyses point, line and polygon features uploaded by States/UTs.
2. I had also asked for the breakup of the polygons categorised as Incorrect and Unascertainable based on the parameters used by FSI in analysing them -correct digitisation of polygons, whether work done, area under plantation works calculated in hectares, multiple polygons, civil construction works.
3. However, the application was disposed off with a response that the information is available on the e-Green Watch portal (Annexure), which is false.
4. Providing false information to the RTI application is malafide in nature. The response of the PIO only mentions that the information is available on the eGreen Watch, which is not the case.
5. The providing of false information is not justified as per the law. Please direct the PIO to provide the information immediately
